If you could be someone/something else for a day, who/what would you be and why?

"I would like to be a genie that could grant those famous three wishes. I would grant to all equal opportunity, sufficient income to eliminate hunger, and resources to the elderly to enjoy the golden years."

Sandra (Sunny) Hauck

Chief executive officer
Diversified Data Systems Inc.
Lower Allen Township, Cumberland County

Education: majored in finance and economics, Elizabethtown College

Job responsibility: oversee strategic planning, financial oversight and public relations

Company description: provider of information-technology services

Most influential role model: Nina Rahn, my mother, who raised six children through difficult times and continually demonstrated her courage in the face of incredible adversity

Definition of a leader: one who has the ability to inspire others to success by allowing opportunities to contribute

Primary professional/community affiliations: Technology Council, YWCA
